23. My English is much better now because I have been

24. My boss is going to fire me (= give me the sack) because I have been

25. I feel itchy because I have been

Read out the part of the sentence from "Because...", and see if your partner can guess which sentence it comes from.

Change partner and tell them only the start of one of the sentences, e.g. "I feel lonely" and give them hints until they guess what you have written there.
